

## **Customer and Stakeholder Engagement: Putney**

On 30 November 2022 we announced the closure of 114 branches, including our branch at Putney. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

### **Customer and stakeholder contact**

On 20<sup>th</sup> and 23<sup>rd</sup> January, we wrote to all regular users of this branch. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to Fleur Anderson, Constituency MP, on 30 November 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Post Office
- HM Treasury
- Cash Action Group
- CBI
- British Chambers of Commerce
- Which?

On 23 January 2023 our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Beverley Corson, Chamber of Commerce
- Cristina Scaramella, Post Office
- Putney Library
- Age UK
- Citizens Advice
- Hammersmith and Fulham Foodbank
- Hestia
- Lifetimes
- The Matthew Trust
- Fulham Good Neighbours

We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. To view these reports just scan the QR code or visit <https://www.hsbc.co.uk/branch-finder>. Copies are also available in the closing branch.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

### **Customer and stakeholder reaction/feedback**

- We have written to Fleur Anderson, Constituency MP and there has been no further correspondence.
- General customer sentiment was disappointment that the branch was being closed as they are concerned about the availability of counter services. The staff within the branch have been actively supporting these customers and discussing the counter services available at the Post Office.
- Calls to vulnerable customers have been well received and they have generally welcomed the opportunity to discuss the branch closure as a follow-up to the letter they received. During these calls we have taken the time to understand our customers' specific circumstances, which has allowed us to provide our customers with information on the services that may be suitable for them.

### **Follow up action taken**

- The Network Manager in the branch has spoken with the closest Post Office to the branch to ensure they are aware of the closure at Putney branch.
- The branch has been speaking with customers who have no access to a compatible device for online banking, about our community tablet programme. This programme supports customers getting online and educates them in how to navigate online and mobile banking.
- The branch team will be holding Pop Up events once the branch closes. Our branch experts will be on hand to offer important advice on how to reduce the risk of fraud on your account, give guidance and support on the different ways

customers can do their banking, including the services available at the Post Office and help with queries about our products and services.

- We have offered customers the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our digital education programme and has been designed to educate and upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
